STUBBY HOLDERS

Our stubby holders are full sublimated giving you endless design opportunities.

SERVICE & SUPPORT

IN-HOUSE PRODUCTION

Our in-house sublimation print area comprises three digital machines and two heatpress machines to allow custom designed garments to be manufactured quickly and easily at a local level.

Our screenprinting and embroidery facilities allow us to quickly produce high quality embroidered or printed products on demand, to suit your requirements & timeframes.

We provide a fast and efficient service to sporting clubs & teams, corporates, schools and industrial businesses. Our high quality products, speedy turnaround, excellent service, and exceptional value for money sets us apart from our competitors.

QUALITY WORKMAN SHIP

We believe the quality of our products to be second to none. We purchase all our fabrics from Australian companies. All fabrics are either wholesaled and held in Australia or in fact knitted and produced in Australia. Our biggest suppliers are HMA Fabrics and Charles Parsons in Melbourne. Both companies are responsible for knitting, dyeing, finishing and storage of our fabrics right here in Australia. The fabrics are transported into our factory where we have full supervision of the cutting, contracting of sewing, embroidery, printing, finishing, packing and despatch of products that carry our JS Sports label. This gives us every opportunity to identify and minimise errors before they reach our customers.

OFFSHORE FACILITIES

JS Sports' offshore capabilities enables high quality, high volume garment manufacture at lower price points.

Our overseas manufacturing facilities provide value for money clothing and were set up to complement our Australian made label, rather than take away from our Australian operation. Please ask your sales representative for a quote on indent production.

PRODUCTION TIMES

Our estimated production time for garments under normal circumstances is 6 weeks - however we keep our clients advised at what stage the production of their order is. Therefore reducing the frustration that delayed production times can cause.

RETURNED GOODS & QUERIES

JS Sports prides itself on being able to work with our clients to ensure acceptable outcomes are achieved when errors in production occur. We believe focussing on accepting faults leads to better processes in the future and a reputation of being a community responsible company. JS Sports will replace any faulty product within 28 days, providing it has not breached the washing instructions listed with the garment. We will also replace faulty products from purchase within 7 days of return.

PRICING

We endeavour to ensure prices remain reasonable and have plans in place to ensure those in need of assistance are not disadvantaged when it comes to purchasing our uniforms. We offer a tiered pricing structure dependant on quantities ordered.

FREIGHT

Please speak to your sales representative regarding freight costs and times, as prices and delivery times do vary.

SERVICE & SUPPORT

Our reputation has been earned through the quality of our products as well as our reliable service. We endeavour at all times to ensure that our quality of garments and level of service is never compromised for price, swiftness of production or delivery. Our Production Manager ensures that all fabric and garments meet our strict guidelines and our quality control is again checked once the garments are completed.
